

The World's Greatest Meal

Rotary

Rotarians of the world unite
with a common cause

**The World's
Greatest Meal
To Help**

**END
POLIO
NOW**

We invite you to join us in the "World's Greatest Meal" in the week commencing Rotary Day 23rd February 2014. Celebrate with your club, family, neighbours and friends. Please remember every \$1 becomes 3 matched by Bill & Melinda Gates Foundation

Cooked up by two Rotarians on opposite sides of the globe, PDG Mukesh Malhotra in D1140 London UK and Susanne Rea in D9550 Cairns Australia, the meal is a way to unite Rotarians in a common cause while making a difference by raising funds to End Polio. Rotarians, friends of Rotary, Rotaractors, Interactors, Inner Wheel, Probus, anyone and everyone are being asked to hold a meal and at the same time raise funds for End Polio Now.

It may be a frugal meal, it could be a Club meal where donations are made, in fact just a meal where people meet and give money for End Polio Now. Mostly we want all who join with us to have fun and

enjoy themselves and at the same time help save children from polio. Please encourage your Clubs and individuals to sign up for the World's Greatest Meal to help End Polio during the week commencing 23rd February 2014. If you are involved with another project at this time, consider it for some time during or after the week before.

See the "Rotary World's Greatest Meal to help End Polio" Facebook pages for more information: [Click here to go to the Facebook page we are using...](#)

How do we count and keep a tally of participation in the World's Greatest Meal?

- 1) Once you have decided to hold an event, please email the details including individual or Club name, district number, and date of proposed event details to Susanne Rea: poliochair@d9550rotary.org.au
- 2) When the Meal has been completed and the money sent into The Rotary Foundation, please email the total amount contributed and the number of participants, plus a photo ...again to Susanne Rea. You are also welcome to post your results including photos onto our Group Facebook Page.
- 3) For those wanting to contribute directly to TRF, the link is: <https://www.rotary.org/en/give>

I have included a number of jpeg images which can be used should you wish to advertise this in news media or to your own club members via your website, your weekly newsletter or your FaceBook page. However if you have a picture of your club with the "We're this Close" theme, put that up too.

All the best,
Susanne
